[REDACTED] bunker seven to eight kilometers north of the village of Fakiya and 50 meters east of the highway, built on the western slope of a hill. One kilometer east of Fakiya another bunker was observed which was surrounded by barbed wire entanglements three to four meters wide and one meter high, extending in the direction of Fakiya. The wire entanglement ended at this bunker. Seven hundred meters to the south of the village of Gorno Yabelkovo are two lines of trenches built parallel to one another with a distance of 50 meters between. The second trench line is one kilometer from the Turkish border.
